INQUIRY

Learning Intention:
To demonstrate an understanding of the qualities of heroes through child heroes.

Use a graphic organiser to record the qualities/traits, behaviours and skills of a hero.

- Malala
- Anne Frank
Learning Intention:

To develop an understanding of the symbols of the Jesse Tree through the story of Jacob, who was a man of faith.

Use the Scripture Probe to respond to the text, “Jacob” in your Religion book.
SCIENCE

Learning Intention:

To demonstrate an understanding of irreversible change through the making of jelly.

Change a solid (jelly crystals) to a liquid through applying heat, and a liquid (dissolved crystals) to a solid through a cooling down process.

Write about the experimental process:

- Aim
- Materials
- Procedure: what did we do?
- Results: what happened? Include a picture.
- Conclusion
ART

Learning Intention:
To demonstrate an understanding of 3D shapes through various multi-media.

Create an image of a cityscape by drawing 3D shapes.
